# SEND ASSESSMENT—MAKING IT MEANINGFUL!

ONLINE GROUP CONSULTATION FOR TEACHERS, SUBJECT LEADERS, SEND & ASSESSMENT LEADERS

This is an advice surgery for anyone with questions about their assessment of pupils with SEND. We know this has presented particular challenges for schools who want to identify and demonstrate the progress of these pupils in a system that, arguably, doesn't seem to allow their progress to be celebrated.

How can we ensure that SEND assessment tells everyone what they need to know?

How can our assessment systems truly celebrate the progress of pupils with SEND?

How can I effectively implement the Engagement Model in a mainstream classroom?
