Supporting Pupils with Social, Emotional & Mental Health Needs—Beyond Behaviour

ONLINE GROUP CONSULTATION FOR TEACHERS, PASTORAL SUPPORT & SEND LEADERS

Challenging or inappropriate behaviour is no longer regarded as a need or difficulty in itself, but as a communication of unmet needs. Knowing, understanding and responding to these needs effectively can require problem-solving skills and strong self-regulation from supporting adults.

How can the school workforce effectively support and nurture pupils showing the most challenging behaviours?

What can schools do when they feel stuck with a pupil's behaviour?

When does challenging behaviour become a SEND need?
